

The Eagle

Summer 2005

A NOTE FROM THE PRESIDENT

March 7th turned out to be a very enthusiastic meeting with many new faces coming to express their opinions and vote on the two major issues listed in the Spring 2005 newsletter. (The listing of the issues to vote upon in the newsletter preceding the upcoming meeting has generated positive feedback. We plan to continue this practice, so all residents have an opportunity to have a voice in their community decisions.) As a result of the voting, a boat rack will be constructed and placed at Hill Bottom Beach. Dogs will be allowed at the beach areas, however, residents are still reminded that they are responsible for the clean up of their dogs and to insure the safety of their fellow residents.

If you haven't noticed, please take note of the new planting that was done at Hillbottom Beach, Sunset Beach, Sign Island and the sign out on Benfield Rd. The Beautification Committee along with the Board has many more projects we are continuing to work on, so if you would like to get involved, please call anyone on the Board to volunteer.

CRABAWAY PIER UPDATE

After much anticipation, construction on Crabaway Pier has finally begun. B&W Marine started work on Wednesday, May 11th. The work should be completed in approximately two weeks. Please remember this is a construction site, and it is requested no one use that area until construction is complete.

We apologize for any inconvenience while the pier was closed however, we had little control over the weather and the abundance of pier repairs B & W Marine had prior to getting started on Crabaway Pier.

JUNE 6th COMMUNITY MEETING TOPICS

Contracting Scoops to Clean Up Beach Areas:

As a result of the vote to allow dogs at the beach, and geese droppings, many residents felt something needed to be done about beach clean up. Pricing has been obtained and a vote is needed to proceed with the hiring of Scoops to clean up the beach areas.
