**A NOTE FROM THE PRESIDENT**

There was a large turnout for the March Community Meeting. It was great to see people coming out to show interest in the community. The Crab Away Pier terracing project was a concern for many residents. The plan presented was voted on and accepted. Work will not begin until we obtain the necessary permits from the county. We have been told this may take several months. Other residents turned out in response to the letter that was placed in their mailboxes from a concerned resident. This letter was a direct attack against me and my family. I am concerned that this person not only lied to discredit my job as President of the community, but maliciously insulted my personal and private life. I would only hope people realize that we on the board are all VOLUNTEERS, and as such, do not deserve to have evil and malicious literature distributed throughout the community. There were other residents who showed up to lend me support, and to all of you, I thank you for your thoughtfulness and concern.

**TOPICS FOR JUNE 5<sup>TH</sup>  
MEETING**

1. Vote for Mark Quillen to fill vacancy on the Board
2. Nominations for 2 members of Board of Directors for October vote
3. Scoops
4. Sand at Hillbottom Beach
5. Jet ski pad

**Child <3** FREE

For tickets or more information contact Jennifer Wilson  
Matkins: j.l.wilson1@comcast.net, Bonnie Kellough  
410-544-5167, or Cindy Quaster 410-279-5382

### **RAFFLE TICKETS**

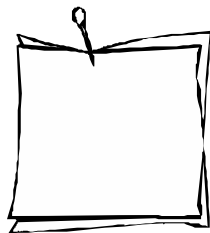

Raffle tickets for the 50/50 raffle are still on sale. The drawing will be held at the Community Picnic on June 24<sup>th</sup>. You may purchase them at the June 5<sup>th</sup> meeting, at the picnic, or by calling Bonnie Kellough at (410) 544-5167.

### **A Successful Easter Egg Hunt...**

Thanks to all my wonderful neighbors who helped make this year's event a treat for all. A special thanks to all who donated for the Moon Bounce. The monies collected will go toward future parties. There were over 50 children who attended. Way to go parents! Let's keep making memories to grow on!

-Amy Kershaw

## LETTER DISTRIBUTION

Someone has been placing notes in mailboxes, on cars, and on doorsteps to several different residents for various reasons. The board would like residents to know that we do not condone this type of activity. Our security patrol does leave notes on cars parked at the beach if you are parked there without a sticker, if you leave the gate/launching ramp open or any type of circumstance that merits a reminder. This is normally a friendly reminder or preprinted notice signed by CMIA Security, we do not leave nasty notes without recognition.

### **ATTENTION BOATERS... CMIA Maintains a Cooperating Group Agreement with BOAT U.S.**

SAVE 50% Off Regular Annual  
Boat U.S. Dues!

For at least the last 19 years CMIA has renewed our "partnership" with Boat U.S. The agreement only requires that community residents be informed at least once a year about this special Boat U.S. savings arrangement and make Boat U.S. literature available to its members. In addition Boat U.S. membership benefits include: a 700-page discount catalog plus special discounts and Member Rewards with purchases, discounts at more than 600 marinas, boat insurance, on-the-water towing and a full year's subscription to BOAT U.S. Magazine. Contact Roger Johnston 410-647-4207 for a Boat U.S. Membership application, or call 800-395-2628 and be sure to mention our Co-op # GA81464B to get the special \$12.50 rate.

## MOSQUITO SPRAYING

The Department of Agriculture will be monitoring for adult mosquitoes every Tuesday after 7 p.m. If the field inspector gets a landing rate count of 5 mosquitoes in 2 minutes or a light trap count of 20 female mosquitoes a night, the community will be treated (ULV spray application) for adult mosquitoes at that time.

*Please notice the enclosed inserts* or if you would like additional information please call 410-841-5870.

### *Special Thanks*

Thank You to Mark Ginty, Bruce and Beth Redpath, Ron Davis, and Roxanne Bender for the clean up of properties along Park and Hollywood Roads where trash and debris had been dumped.

Thank You to David Grempler and Boy Scout Troop 346 for the wonderful job they did in building the boat rack at Hillbottom Beach.

Thank You to the person who donated the azalea bushes that have been planted at Hillbottom Beach in memory of Wanda Marstellar.

## Tips to Rid Your Community of Mosquito Breeding Sites

1. Clean rain gutters to allow water to flow freely.
2. Remove old tires or drill drainage holes in tires used for playground equipment.
3. Store plastic wading pools inside or turn them upside down when not in use.
4. Turn over or remove clay pots and plastic containers.
5. Dispose of all empty beverage containers, plastic wrappers, discarded toys, etc.
6. Check for trapped water in plastic or canvas tarps used to cover boats, pools, etc. Arrange the tarp to drain the water.
7. Pump out bilges in boats. Turn canoes and small boats upside down for storage.
8. Replace water in bird baths at least twice a week.
9. Remove pet food and water dishes that are not being used.
10. Flush livestock water troughs twice a week.
11. Don't leave garbage can lids lying upside down. Be sure water does not collect in the bottom of garbage cans.
12. Flush water in the bottom of plant holders twice a week.
13. Fix dripping outside water faucets.
14. Turn wheelbarrows upside down when stored outside.
15. Check around construction sites or do-it-yourself improvements to ensure that proper backfilling and grading prevent drainage problems.
16. Check ornamental ponds, tree holes and water-holding low areas for mosquito larvae. Call the nearest Mosquito Control Office (see below) if you find, or suspect, mosquito larvae are present.
17. If ditches do not flow and contain stagnant water for one week or longer, they can produce large numbers of mosquitoes. Report such conditions to a Mosquito Control Office. Do not attempt to clear these ditches because they may be protected by wetland regulations.

Contact the *Mosquito Control Section of the Maryland Department of Agriculture* nearest you for additional assistance and advice.

## Boating Safety Education Requirement

In Maryland, the law states that anyone born on or after July 1, 1972, must possess a **certificate of boating safety education** in order to operate any motorized vessel. This certificate is non-renewable and must be carried by the student at all times while operating a vessel. Officers may or may not ask to see the certificate during a vessel check and, if not provided, you can be charged with a minimum of \$25 for the first offense and up to \$500 for each offense thereafter. Boating safety courses are offered all across the State. Prices, times and locations may vary. Please contact the provider by calling the number provided. Any further questions can be answered by contacting the Natural Resources Police Safety Education Division at (410) 260-3280 or DNR at:

<http://www.dnr.state.md.us/boating/safety/require.html>

The following is a list of course dates at Kinder Farm Park 410-222-6115. Register in person at the park. Times are 1-5 pm.

June 18 & 25  
July 16 & 23  
August 6 & 13  
September 17 & 24
